

# Interim Analyses IDMC Support

## Comprehensive Independent Data Monitoring Committee Services

## Deep IDMC Expertise

Our biostatisticians are true professionals, delivering only what the committee members need in a succinct, complete, and reproducible fashion.

## IDMC comprehensive services

- Development of the IDMC charter
- Simulation-based forecasting tools
- Production of interim analyses
  - Efficacy and futility calculations, conditional power calculations, sample size adjustments...
- Production of regular safety reports
- Participation in open and closed meetings with presentation of results
- Secured sharing portal

We deliver unbiased analyses through our deep knowledge of clinical trial methodology and FDA and ICH guidelines for safety reporting and IDMC.

IDDI is a trusted clinical data science partner. With 35+ years of research-driven experience, we combine therapeutic expertise, biostatistical leadership, and regulatory insight to mitigate risk from design to registration and beyond. We deliver uncompromising excellence in biostatistics, strategic consulting, clinical data management, IDMCs, and supporting eClinical technologies, because when every data point represents a patient, perfection is the only option.
